## A northern blizzard

---

- 1 Once as four people were out trapping they ran into an extremely bad day.  
They were not even able to ..., to set up their ..., their tent, it was so windy.
- 2 In the morning, however, their tent was completely buried with drifting  
snow, their dogs as well.  
Their..., presently, however, in the morning, they dug into the snow for  
their dogs. They did not go ou..., they were not able to go out that day.
